Dear Community Supporter:

Good news! Mission Bay High School is flourishing due, in part, to unprecedented support of the local community. On behalf of all our Mission Bay High School alumni, we sincerely thank you for helping our mission to provide excellence and pride in public education.

Though the Mission Bay High School Alumni Association was started just six years ago, our impact on Mission Bay High School has been significant. In addition to providing educational materials to classrooms, our fundraising efforts have also funded the following programs – to name just a few:

- Alumni Excellence Lecture Series:
Featuring Dr. Richard Schrock '63 Nobel Prize winner in chemistry
- 2009 Hall of Champions Induction
- Student Campus Clean Up program
- Teacher Appreciation Week
- Girl's Team Room construction
- Historic logo murals on Grand Avenue
- Gym Championship banner replacement
- Senior graduation activities

We will host our sixth annual "All Alumni Homecoming Celebration" on October 19, 2012 @ 3PM. At this event, we will offer a silent auction to our guests with proceeds to fund our mission. This event is our major fundraiser of the year. We appreciate your donation of services, certificates for merchandise or funds to our auction. Please fill out the attached donor form and return it with your donations in the addressed envelope enclosed. All donations are 100% tax deductible.
